

# Hike for Hospice event postponed in Chatham-Kent

CHATHAM – In light of the measures being implemented to stem the spread of COVID-19 (“coronavirus”), Hike for Hospice Chatham-Kent will be postponed until Sunday, June 14, 2020.

While they remain hopeful that this change of date will allow them to host this event, the situation is changing very rapidly. If there are any concerns for the health and safety of the participants as the new date ap-

proaches, they will look at hosting a strictly virtual walk/run.

With the uncertain climate, they are already seeing an impact on donations to the Chatham-Kent Hospice.

Because they rely on donations to cover everyday expenses (food, utilities, supplies), the Hospice families need your help now more than ever. They urge you to consider joining them for Hike for Hospice or consider making a donation today.
