SPCC Trivia Night raises \$1,875 for SickKids

LEAMINGTON - On Saturday, Feb. 22 the Sun Parlour Curling Club held its 3rd annual Trivia Night, raising \$1,875 for SickKids Hospital. There were 17 teams entered and Team Breakfast Club reigned supreme after answering a tie-breaker question. A big thank-you to Ann Loop and her team, "Agents of Trivia", for organizing the event. Pictured is Team Breakfast Club, in front, left to right: Tom Ferreira, Rob Gabriele, Lena McKenzie, Corrine Ferreira, Ronnie Mastronardi. In back: Terry Piccinin, Annette Gabriele, Lee McKenzie.

Phase 2 of Golfwood Estates approved

LEAMINGTON - Leamington Council approved Phase 2 of the Golfwood Estates subdivision on Robson Road, which will add 40 single detached dwelling lots.

The development of Golfwood Estates dates back to 2006 when it was given approval for the development of 217 single detached dwelling lots and 75 town-house lots over five phases of development. This plan was extended until 2015. Phase 1 received approval and commenced construction in 2015.

Phase 2 of the subdivision plan seeks to create 40 single dwelling lots, which were previously approved in 2015. A notice of the public

meeting was published and public notices were sent to neighbouring property owners. The Municipality received no response from members of the public.

The entire property is an 83-acre parcel located on the north side of Robson Road with additional frontage on Bevel Line Road. The development is located immediately west of Erie Shores Golf and Country Club.

Paul Barnable, Director of Community and Development Services, presented the Phase 2 draft plan of development to Council on Tuesday, Feb. 25.

Upon receipt of comments from the Municipality, the County will issue a

decision to 'refuse' or 'draft approve' the proposed subdivision plan. There is a 20-day appeal period after draft approval has been issued.

If the plan is approved by the County, the owner will be required to return to the Municipality to have the Holding Symbol removed from the zoning of the subject lands before building permits will be issued.

Councillor Paul Tiessen and a member of the public asked about access to the subdivision. "Will the road eventually exit out to the Bevel Line?" asked Tiessen. Barnable responded that it he believed that it did.

Council passed the report.
